

Attention Scholastic Chess Players in the tri-state area of Kentucky, Indiana, and Ohio: The Knights of Northern Kentucky Chess Tournament is an excellent way to compete for points in an officially rated tournament without a long drive! And for those who like to play on a more casual level the NON-Rated/Novice section of the tournament offers similar fun and prizes without the extra cost. Even if your school does not have a chess club but you just have a few interested students, sign them up for the tournament! *Sponsored by Scott High School*
